G4900 Series, Compact Mount Gun Racks

Features of Narrow Mount, Gun Rack - G4908 Series

- Single weapon mounting, can be doubled to create dual weapon mounts
- Field adjustable brackets and gun locks with adjustable inserts*
 - accommodates multiple weapon and accessory configurations*
 - prevent road rattle
 - some components may be transferable to other Pro-gard gun rack mounting configurations*
 - perfect for retrofitting to existing partitions without space saver panels
- **Durable, powder coated, steel construction** - resists corrosion and impact
- **Compact design** - fits in tight spaces
- **Horizontal mounting style** - fits partitions without space saver panels
- **8 second delay timer included**
 - allows for quick access to weapon with touch of button
 - choose from three override key styles: handcuff, straight, or vending

**contact customer service to find out more information*

Gun locks are determined by a combination of mounting location, weapon type, and weapon accessories*

VERTICAL MOUNT

Butt Plate mounted on base prevents weapon from backing out of gun rack

Vertical Mount shown on Chevrolet Tahoe Partition with Seat Protector
